ESTATE PLANNING

October is National Estate Planning Awareness Month

"Estate planning is a process involving the counsel of professional advisors who are familiar with your goals and concerns, your assets and how they are owned, and your family structure."

10 Reasons to Create an Estate Plan Now

People think that estate plans are for someone else, not them or rationalize that they are too young or don't have enough money to reap the tax benefits of a plan, but estate planning is for everyone, regardless of age or net worth.

Current Office Operations

Although we are trying to resume in-person meetings with clients, we still encourage clients to consider meeting with us remotely, particularly if they have health concerns. Our office staff has been vaccinated, and we practice social distancing, but remote meeting through the use of technology like Zoom is safe and convenient, so we continue to encourage its use.
