Updates in Estate Planning and Elder Law

HOW TO SPOT ELDER ABUSE

Elder financial exploitation is the illegal or improper use of an older person's funds, property or assets.

WILLS OR POWERS OF ATTORNEY
A sudden change in beneficiary, especially if involving a caregiver, could be a sign of exploitation.

WITHDRAWALS OR PURCHASES
Large cash withdrawals from banking and investment accounts, as well as using credit cards more frequently, are trouble signs.

WARNING SIGNS

UNPAID BILLS OR LACK OF FOOD IN HOUSE
If a person is not paying bills or isn't buying food or other necessities, it's time to investigate.

MISSING POSSESSIONS
If you notice that belongings seem to be missing, ask where the items went.

Current Office Operations

Although we are trying to resume in-person meetings with clients, we still encourage clients to consider meeting with us remotely, particularly if they have health concerns. Our office staff has been vaccinated, and we practice social distancing, but remote meeting through the use of technology like Zoom is safe and convenient, so we continue to encourage its use.
